

Announcing the 2011 Catalyst Award Winners

Clean/Green Organization of the Year – *Sustainable Resources NW*

Sustainable Resources INW is a Spokane-based educational non-profit dedicated to increasing the community's awareness and utilization of sustainable practices regarding natural, social and financial resources. As such, they are a resource to the community, providing the training, support services and access to a network of resources that businesses, organizations, and our community needs to keep going strong for the long run. The broad range and nature of their services is unique in our region, affordable, accessible, and provides the platform to catalyze the transformational change needed to strongly position our community for the 21st Century's challenges and opportunities.
